

WTUA - East Lancs Railway Trip from Wirral- 9th Sept 2023

Dear WTUA Members and Supporters -

The Wirral Transport Users Association has organised a train excursion on the East Lancashire Railway on Sat 9th Sept 2023. A coach will take us from various Wirral pickup points (see list on form below) to the ELR terminus at Heywood (near Bury). We will get the 11:30am steam-hauled train to the Rawtenstall terminus and return back on the train to Heywood to arrive at about 2:08pm. After allowing time for photos, etc, the coach will then take us in to Bury town centre. It will pick us up there for home at 5:00pm. Bury has a famous market, the Fusilier Museum, the small but pretty Kay Gardens, and an Art Museum & Sculpture Centre. Unfortunately, the Transport Museum in Bury is likely to be closed on the trip date due to a private function. Please note- As with any heritage railway, circumstances may occur which prevent the steam-haulage from running.

For details of our previous trips, see:

http://www.wirraltua.org.uk/html/past_trips_and_events.html

The price for both the coach and the train travel is £30 per person and is payable in full with the completed application form. We are NOT restricting the trip to members only- you are welcome to bring friends. Late applications may be accepted subject to coach space availability. Any questions, please ring Brian on 0151 648 3070 or write to him at the address on the form. Any cancellations must be notified by Saturday 26th August for a refund.

You might like to copy your chosen pickup location and time to this box to remind you of your choice after the form section has been sent off:
